Named one of the world's top 10 diving sites, your day of play features snorkeling among abundant marine life, kayaking around rocky outcroppings, and lounging on the warm sand. It's another perfect day in paradise.
Apr 04 2017 (TUE)	GOLFO DULCE	A birder's paradise, explore a tropical botanical reserve exploding with vibrant color. From bromeliads, ginger plants, and heliconias, to toucans, hummingbirds, mischievous monkeys, and fluttering butterflies--there's a mesmerizing kaleidoscope of sights, sounds, and tastes in every tree and bush you pass on your walking tour. In Golfo Dulce, which separates Oso Peninsula from the mainland, explore the rare flora and fauna of mangroves by kayak and skiff.
