

Merry Christmas!!!

This USB Flash Drive contains the scans of all the photos located inside the following five albums:

1. Mabel Stauffacher album. Libbie and I captioned the photos with names. The directory contains both an original scan and a captioned scan of each photo.
2. Mary Ellen Condon college photos. Most of these were very tiny 2x2 square photos. The original captions were scanned in place.
3. Mary Ellen Condon 1945-1952.
4. Mary Ellen Condon 1952-Joliet
5. Mary Ellen Condon envelope. This was an envelope of loose photos found with the albums. Of particular interest is a 1915 B&W photo of Ralph and Mabel on an open air bus on their honeymoon. Captions were written on the back of most photos, Libbie and I transferred the captions to the photo. The directory contains both an original scan and a captioned scan of each photo.

These albums are each in their own directory. The root directory contains a slide show movie of each of the albums. The movies are self titled and consist of:

- MabelStauffacherAlbum.mp4
- MaryCondon\_1945-1952.mp4
- MaryCondon\_1952-Joliet.mp4
- MaryCondon\_College.mp4
- MaryCondon\_Envelope.mp4

The movie files should play in most media players. If you're looking for a media player, without a doubt the best of them is the free Open Source player VLC which works on PC, Mac and Linux.

I've watched the big, husky sun wallow  
In crimson and gold, and grow dim,  
Till the moon set the pearly peaks gleaming,  
And the stars tumbled out, neck and crop;  
And I've thought that I surely was dreaming,  
With the peace o' the world piled on top.

From the call of the Yukon, Robert Service

Peace and Love from Tom & Libbie for a Merry Christmas and a Happy New Year.
